

# HOMESCHOOL CLUBHOUSE ENRICHMENT PROGRAM

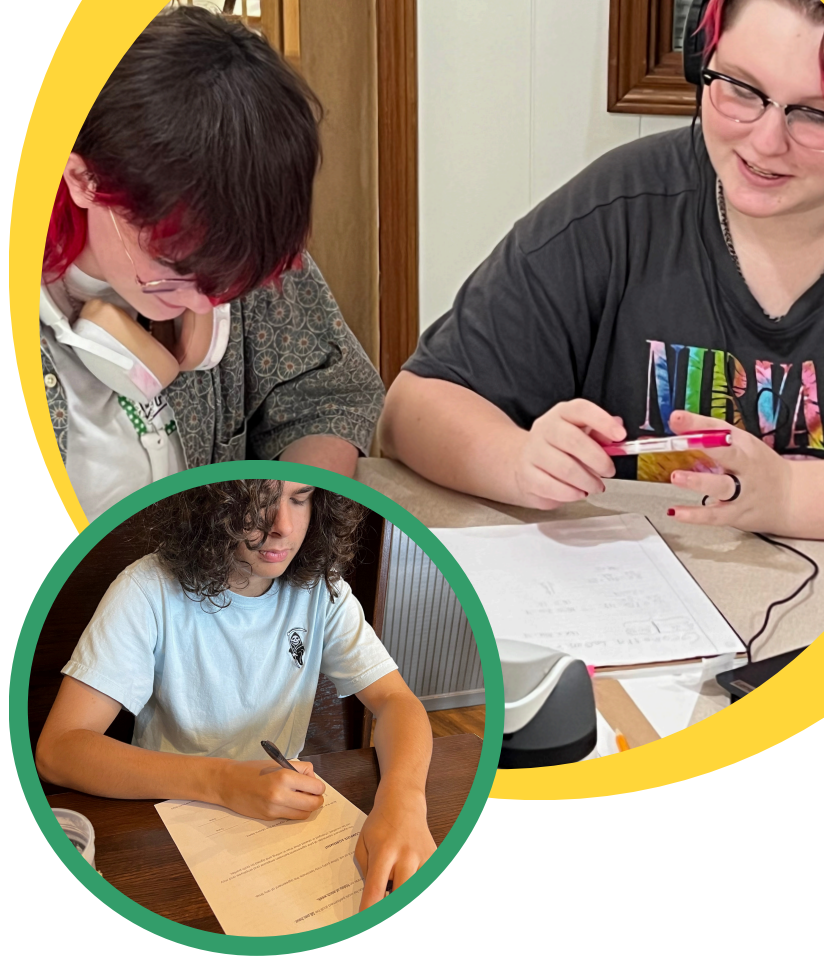

A supportive environment for high school or dual-enrollment coursework, fostering lifelong friendships.

(Ages 14 and up)

## What We Offer:

- ✓ Independent work time for students to focus on their personalized curriculum materials.
- ✓ Academic feedback, guidance, and support from a certified teacher.
- ✓ Access to discounted college credit dual enrollment courses through our partnership with Arizona State University.
  - Quiet space provided for proctored exams, if needed.
- ✓ Study Skills Lessons (group)
  - Students learn key skills for academic success, such as: various forms of note-taking, active reading strategies, time management, organization, test-taking strategies, and more!

**Classes Start  
August 2025**

Our program provides **a structured yet flexible environment** where students can **focus on their independent curriculum** while enjoying **meaningful social interaction**.

Through collaborative activities, peer discussions, and shared learning experiences, students **build confidence, strengthen study and communication skills, and form lasting connections**.
