ages 9-11 and 12-14
Enrichment Program

EXPLORE THE WORLD WITH HOMESCHOOL CLUBHOUSE

Literature Based

Learning through literature develops critical thinking skills, improves vocabulary, and fosters cognitive development.

Hands-on

Social studies, literature, art, PE, and a science spotlight: We help you cover more, with focused learning and engaging hands-on activities.

At-Home Extension

Every student will bring home a complete unit study for our country of the week, to continue the learning with you.

Welcome to Study Buddies!

Each week, students will dive into the culture of a new country through our literature-based, multidisciplinary enrichment program.

CLASSES START AUGUST, 2025
